## Golden Cream Cheese.

Mix one cup of grated cheese, one tablespoonful of cornstarch, one-half teaspoonful each of salt and mustard and a little cayenne pepper. Add four tablespoonfuls of butter and four tablespoonfuls of milk. Beat until smooth and cook over hot water until well blended and creamy, which will be in about ten minutes. Turn into a jelly tumbler and keep in a cool place. This is delicious on crackers. Two thin slices of bread, with the cheese spread over them and sprinkled with peanuts or walnuts, make a good sandwich.
